PROFESSIONAL SUMMARY

Motivated Full Stack Developer with hands-on experience building web and desktop applications using **React**, **Node.js**, **Express**, and **Electron.js**. Proven ability to design, build, and deploy personal applications end-to-end, complemented by hands-on professional frontend internship experience. Adaptable, detail-oriented, and accustomed to high-pressure environments through military medical service and hands-on workshop management.

TECHNICAL SKILLS

- **Frontend & Desktop:** HTML, CSS, JavaScript, TypeScript, React, Next.js, Redux, Electron.js
- **Backend:** Node.js, Express.js
- **Databases:** MongoDB
- **Dev Tools:** Cursor AI, Git, Docker, REST APIs
- **Languages:** Hebrew (Native), English (High Proficiency), French (High Proficiency)

TECHNICAL PROJECTS

Strimz — Desktop Torrent Streaming App | Electron, React, Node.js, WebTorrent

- Developed a cross-platform desktop application for real-time video streaming directly from torrent/magnet metadata.
- Integrated WebTorrent P2P engine, custom player controls, playback tracking, and subtitle file synchronization.

WORK EXPERIENCE

Shofar Craftsman & Workshop Specialist

Shofarot Israel | *September 2020 – Present*

- Execute multi-stage production workflows, quality assurance, and inventory management in a team environment.

Front-End Developer (Internship)

Jane.co.il | *March 2024 – May 2024*

- Built and maintained responsive user interfaces using **Next.js** and **Tailwind CSS**.
- Balanced functionality with clean, modern design—focusing on usability and code quality.
- Collaborated with designers and backend developers to launch new features and improve overall user experience.
- Emphasized component reusability and scalable architecture to support future product growth.

MILITARY SERVICE

Combat Medic / Company Medic (Reserve Duty)

Israeli Defense Forces | *2021 – Present*

- Completed 5 active reserve deployments over the last 3 years, delivering critical operational medical support under high-stress conditions.
- Managed medical equipment logistics, field care, emergency response, and triage protocol execution.

Combat Medic (Active Duty)

Golani 51st Battalion, IDF | *July 2017 – March 2020*

- Served as a primary unit combat medic, managing routine healthcare, field medicine, and emergency response operations.

EDUCATION & CERTIFICATIONS

- **Yaniv Arad Training Labs** | *Sep 2024 – Dec 2024* | Advanced hands-on courses in React, Node.js, and Express architecture.
- **Zero To Mastery Academy** | *Nov 2022 – Dec 2024* | Ongoing practical training in modern full-stack web technologies.
- **HackerU College** | *Apr 2022 – Feb 2023* | Intensive hands-on program focusing on modern web technologies and full-stack software development.
